I am a commissioned Notary for the State of Maryland and a licensed Title Insurance Producer Independent Contractor. I serve Baltimore, Carroll, and Howard counties as well as the City of Baltimore. I have experience in conducting refinance, seller, and purchase closings, HELOCs, loan modifications, and initial loan applications. I also conduct automotive signings for out of state vehicle purchases. I have conducted loan and automotive closings since March 2020 totaling over 500 plus signings. I conduct Hybrid signings, In-Person Electronic Notarizations, and was approved to conduct Remote Online Notarizations for the State of Maryland in October 2020. In July 2023, I became a Certified Notary Trust Delivery Agent where I am trained to present estate planning documents in a manner easy to understand and obtain the required notarizations. I am available to travel to your client's home, their preferred location, or to your office to deliver the trust package and notarize the required documents. In October 2019,
