Hello! My name is Sarah Leininger. At the beginning of 2021 I was starting to look for something I could do on the side to earn some extra income but would allow me the flexibility to continue to provide care for my granddaughter. I had heard of people doing this and decided it would be ideal for me. I love meeting new people as I am a quite social person. I am also a detail-oriented person which is a must in my role as a Mobile Notary Public/Signing Agent. I enjoy what I do and am good at it.
